If you consent for the minor, who must be at least 14 years old, to transport themselves to and from the program, please fill out and sign this form.

I do hereby give my consent for the above-named minor, who is at least 14 years old, to sign themselves in and out of, and transport themselves to and from the above-named program.

I understand that after the minor signs out, the University of Arizona (the "University") will not supervise the minor. I understand that there are certain risks inherent in the minor signing themselves in and out, leaving the program, and travelling to another destination without adult supervision, and I assume these risks on behalf of the minor. Such risks may include, without limitation, criminal acts of third parties, road/traffic safety hazards, and the minor not following my instructions on where to go. I represent and warrant to the University that I have instructed the minor on safe practices and discussed how and where the minor is to go after they sign themselves out of the program and that, as the minor's parent/legal guardian, I am of the opinion that the minor is mature enough to sign themselves in and out of the program.

On behalf of myself and the minor, I hereby unconditionally and irrevocably release, hold harmless, and agree to fully indemnify the University from and against any and all lawsuits, claims, demands, actions, suits, causes of action, liability, losses or damages, and any fees/expenses/costs, of any kind whatsoever (including attorneys' fees and costs), whether known and unknown, that may arise from or are related to the minor signing themselves in and out of the program without an adult and traveling to another destination without adult supervision.

I understand, acknowledge, and agree to the above assumption of risk, release, waiver, indemnity, and terms of this form.
